As much as we encourage teachers to provide students with the opportunity to use authentic brushes, ink and calligraphy paper, we understand this is not always possible.

We would prefer entries to be on the standard calligraphy paper **similar to A4** size with black ink, however, we will accept entries on white A4 paper (ie photocopier or art paper) or with black paint (watered to similar consistency as ink).
Please note: (No A3 or considerably larger sized paper or other coloured ink / paint will be accepted)

Entries must be students own work and not traced.

Students should write their own name (in katakana or kanji) vertically on the lower left hand edge on the front of the calligraphy (see attached example)

Please attach the provided label with student name, year level and school and teacher's name and email address on reverse

A teaching sample of the featured Kanji with correct stroke order (numbered) is included, along with the student labels.
