Category E: Year 7

Category F: Year 8

Category G: Year 9

Category H: Year 10

As much as we encourage teachers to provide students with the opportunity to use authentic brushes, ink and calligraphy paper, we understand this is not always possible. We would prefer entries to be on the standard calligraphy paper similar to A4 size with black ink, however, we will accept entries on white A4 paper (i.e. photocopier or art paper) or with black paint (watered to similar consistency as ink). Please note: (A3 or considerably larger sized paper or other coloured ink / paint will NOT be accepted). Entries must be students own work and not traced or use over shoulder assistance. We are asking teachers to declare this on the entry form. Students should write their own name (in katakana or kanji) vertically on the lower left hand edge on the front of the calligraphy (see attached example). The competition is open from when you receive this flyer notification. Please do not leave posting of entries until the last minute, we suggest using express post if you are sending near the closing date. If you want to verify that your entry has been received please email [jltawapresident@gmail.com](mailto:jltawapresident@gmail.com) Please copy the enclosed label with student name, year level, school, teacher name, email address and declaration on reverse of the calligraphy.
